TASO-Volleyball's membership application/renewal fees are the same as last year. \$100 is the total cost. \$65 is the membership cost; \$35 per prepaid clinic cost. You will need a credit card to complete the registration process.

TASO-Volleyball is continuing what was implemented last year with the Continuing Education fee collected with the membership dues at the time of membership application/renewal. The Continuing Education fee of \$35.00 covers the cost of attending one or more of the following: Volleyball State Meeting, TASO Volleyball Regional Clinic or the Volleyball Online Clinic.

Please understand, this is not an increase in dues, it simply provides for all clinic fees (Annual Meeting, Regional Clinic, and On-Line Clinic) to be paid with your dues in a single transaction. Remember this process allows you to attend the Annual Meeting, any Regional Clinic and the On-line Clinic all for a single fee.

If you need assistance, please send an email to volleyball@taso.org
